Experienced Physical Education professional with over 9 years in coaching and program development. Skilled in creating engaging curricula, analyzing player performance, and crafting personalized growth plans. Proven ability to motivate young athletes and utilize technology for efficient operations and skill tracking.

## EXPERIENCE

JAN 2024 -  
JAN 2025

### U8 HEAD COACH, AIYOU BASEBALL & SOFTBALL CLUB, BEIJING

- Designed and executed age-appropriate lesson plans, fostering a passion for baseball and skill development among young players.
- Utilized data analysis tools to assess player performance and create personalized growth strategies.

SEP 2023 -  
FEB 2024

### U15 HEAD COACH, DAYSTAR ACADEMY, BEIJING

- Guided the team to a **runner-up finish at the ISAC Games 2023**, competing against varsity (U18) teams and demonstrating exceptional resilience and skill development.
- Prepared the team for APAC Baseball 2023, showcasing their ability to compete with older, more experienced teams.
- Fostered a growth mindset through a development-focused coaching philosophy, emphasizing teamwork and dedication.

JUN 2017 -  
MAR 2023

### COACH, TEACHING DIRECTOR & CONSULTANT, READY STEADY GO KIDS, BEIJING

- Delivered engaging sports lessons to children aged 3–8, improving physical literacy and motor skills.
- Supervised and trained over 100 coaches, ensuring consistent and high-quality delivery of the program curriculum.
- Implemented digital tools for scheduling, logistics, and operational standardization, increasing program efficiency across 40+ franchises.

SEP 2015 -  
JUN 2017

### U12 BASEBALL COACH, INTERNATIONAL SCHOOL OF BEIJING (ISB)

- Coached the U12 baseball team, emphasizing fundamentals, proper techniques, and safety.
- Designed and implemented conditioning programs and game-situation drills, leading to measurable performance improvements.

SEP 2015 -  
JUN 2017

### ASSISTANT COACH, JIAPAO BASEBALL CLUB, BEIJING

- Conducted weekly training sessions for players aged 5–16, enhancing skills and engagement.
- Co-led a two-week Baseball Camp in Havana, Cuba, integrating cultural immersion with intensive skill development.

## PROFESSIONAL DEVELOPMENT

2024

### USA BASEBALL COACH "A", "B", AND "C" CERTIFICATIONS, USA BASEBALL

Encompassing health and safety, positive team culture, fundamental and advanced skills like pitching, hitting, and baserunning, as well as game strategies, practice planning, and staff management to foster player development and team success.

2023

### THE SCIENCE OF TRAINING YOUNG ATHLETES, UNIVERSITY OF FLORIDA

Mastered evidence-based strategies for age-appropriate training, motor skill development, and injury prevention to support the holistic development of young athletes.

2017

### COMMUNITY COACHING GENERAL PRINCIPLES, AUSTRALIAN SPORTS COMMISSION

Covered core principles of community coaching, including effective communication, session planning, athlete safety, and fostering an inclusive and engaging environment to support athlete development.

## EDUCATION

2017

### MASTER OF SCIENCE IN ENGINEERING, BEIHANG UNIVERSITY, BEIJING

- Served as the first baseman for the university's baseball team, contributing to victory in the **2017 Beijing University Championship**.
- Gained valuable leadership and teamwork experience while balancing academic and athletic commitments.

2011

### BACHELOR'S DEGREE IN BIOENGINEERING, ISPJAE, CUBA

- Led the faculty baseball team as Captain for 5 years, representing the university in various national tournaments.
- Developed strategic thinking, communication, and leadership skills while balancing athletic and academic responsibilities.

2005

### VARSITY BASEBALL TEAM, ATHLETES TRAINING COLLEGE, CUBA

- Participated in national championships as a first baseman, holding the record for home runs in a season.
- Built key skills in teamwork, communication, and discipline on and off the field.

2002

### MIDDLE SCHOOL BASEBALL, ATHLETES INITIATION SCHOOL, CUBA

- Trained in a specialized baseball academy, mastering fundamentals including technique, strategy, and teamwork, laying the foundation for advanced athletic development.
